

To Parents/Guardians of Children Attending St Brigid's National School, Drumcong.

As previously organised by the Board of Management, the designated set down area directly outside the school wall has been made available for parents to collect/drop off their children safely. Since the Child Safeguarding Policy has been implemented, the school has arranged for the dismissal of pupils on a staged basis.

The pupils, who travel home on the first bus leave the school grounds at 3pm.

PLEASE DO NOT PARK IN THE AREA DESIGNATED FOR BUSES AT ANY TIME

For parents/others collecting children, you are asked to enter the set down area in a one-way system in the direction of Ballinamore. Once the parent/other collecting the pupil makes their presence known to the supervising teacher, then only can the pupil leave the school grounds.

Please be aware the designated set down area is for prompt drop off/pick up of a child and should therefore not be used as a car park. The area is required to be shared by many parents/others collecting children.

We expect all parents/others collecting pupils to comply with this protocol in order to ensure the safety of children attending the school.

We thank you in advance for your co-operation.

Board of Management
