

To Parents/Guardians of Children Attending St. Brigid's National School, Drumcong

Parent Communication with Teacher

The Communication Policy of St. Brigid's National School clearly states that all parents who wish to speak to their child's class teacher must make a prior appointment through the school secretary between 9.30a.m. and 3.00p.m.

The staff of St. Brigid's School endeavour to provide the highest standards of care, teaching and learning for all pupils. It will not be possible for teachers to respond to parents who come to the school without an appointment or who telephone teachers during class time, as this causes considerable disruption to classes.

Parents/guardians who wish to speak to Teacher/Principal must make an appointment by contacting the school secretary.

Any such requests will be facilitated at the earliest possible opportunity.

We thank you for your co-operation in this matter.
